*New traffic pattern in place by midday Aug. 19*

**ALEXANDRIA**—By midday, Friday, Aug. 19, crews will open the new westbound Little River Turnpike (Route 236) bridge over I-495 allowing for two lanes of through traffic and restoring the merge lane from I-495 north onto Little River Turnpike west according to the Virginia Department of Transportation.

Motorists should expect lane closures to continue in the Little River Turnpike area as crews complete ramps and advance work on the new I-495 HOT Lanes.
