Ongoing work Fairfax County Parkway Extension Project

- The **Fairfax County Parkway extension (Route 7100)** is now open. For more information and detour maps [click here](http://www.vamegaprojects.com/news/featured-headlines/fairfax-county-parkway-opens-in-both-directions-early/). <http://www.vamegaprojects.com/news/featured-headlines/fairfax-county-parkway-opens-in-both-directions-early/>

Read more about the Fairfax County Parkway project [here](http://www.vamegaprojects.com/about-megaprojects/fairfax-county-parkwaybrac/). <http://www.vamegaprojects.com/about-megaprojects/fairfax-county-parkwaybrac/>

I-95 HOV/HOT LANES PROJECT

No scheduled closures

Read more about the I-95 HOV/HOT Lanes Project [here](http://www.vamegaprojects.com/about-megaprojects/i95-widening/). <http://www.vamegaprojects.com/about-megaprojects/i95-widening/>

ABOUT LANE CLOSURES

For an interactive lane closure map, please [visit the lane closures page](http://www.vamegaprojects.com/lane-closures/). <http://www.vamegaprojects.com/lane-closures/> while much construction will take place behind concrete barriers, lane closures will be necessary at certain times and these lane closures are weather permitting. In general, lane closures occur between 9:30 a.m. and 3:30 p.m. Night work generally occurs between 9:30 p.m. and 5 a.m. unless otherwise noted. There are no lane closures on holiday weekends. Business and residential communities will remain accessible.

ABOUT VIRGINIA MEGAPROJECTS

Over the next several years there will be heavy construction activity from Virginia Megaprojects across Northern Virginia. These new projects represent significant transportation improvements designed to ease congestion and provide you with new and better ways to commute and travel in the region. For complete project information please visit [Virginia Megaprojects](http://www.vamegaprojects.com). www.vamegaprojects.com
